

Before you begin 10th grade

- Attend your COMETS/Sophomore Summer at Breakthrough!

During your 10th grade year

- Attend all Breakthrough Saturday Schools
- Get a part-time job during the school year or over the summer (after 10th grade) if your schedule allows for it
- Take the PSAT (high scores can make you eligible for National Merit Scholarships)
- Take college prep classes (ex. AP, IB, Honors, Dual/Concurrent Enrollment, etc.)
- Start researching colleges and majors/careers that you might be interested in
- If you didn't do it in 9th grade, get involved in extracurricular activities and/or volunteer
- Update your activity log
