# Aurora Enrollment Overview and Timeline

## **Overview**

Aurora Public Schools (APS) does not have a SchoolChoice application process like Denver Public Schools. Instead, APS has [Centralized Admissions](#) and [Open Enrollment](#).

### In-District Students

8<sup>th</sup> graders who currently attend an APS school will be automatically enrolled in their neighborhood high school. Families can use this [interactive map](#) to find their neighborhood school.

If the student and his/her family are content with their neighborhood high school option, then all the student/family needs to do is update their registration with Centralized Admissions IF their home address has changed.

If the student would like to attend an APS high school that is not their neighborhood school, he/she must apply for [Open Enrollment \(intra-district\)](#) with the desired school. Students are not guaranteed seats in schools that are not their neighborhood schools. The principal of each school will review all Open Enrollment applications and either approve, deny, or waitlist students by the start of the school year (August).

### Out-of-District Students

8<sup>th</sup> graders who currently attend a non-APS school (DPS, Englewood, etc.) who wish to attend an APS school must first apply for [Open Enrollment \(inter-district\)](#) with their desired school. The principal of that school will review their application and will communicate whether he/she has been approved, denied, or waitlisted by the start of the school year (August).

Out-of-district students who are accepted to an APS school must then register with [Centralized Admissions](#).

## **Timeline**

**Late October/Early November 2021** → Verify your neighborhood high school by using the [APS Address Lookup Tool](#). Use the [interactive map](#) to learn more about your neighborhood school and other schools in the area.

**Late October/Early November 2021** → Visit school websites and/or call their main offices to learn about tour, student shadow, and open house opportunities (due to COVID-19, in-person opportunities may not be offered for the 2021-2022 school year).

**Late October/Early November 2021** → Check school websites and/or call their main offices to see if any additional application materials are required.

**January 17<sup>th</sup>, 2022** → If necessary, apply for Open Enrollment!

**May 2<sup>nd</sup>, 2022** → This is the last day to submit an Open Enrollment application.

**Early August 2022** → If you submitted an Open Enrollment application before May 2<sup>nd</sup>, you will be notified whether your student has been accepted, denied, or waitlisted before the start of the school year.

# Cherry Creek Enrollment Overview and Timeline

## Overview

Cherry Creek Schools does not have the same SchoolChoice application process as Denver Public Schools. Instead, Cherry Creek has three types of enrollment processes, depending on whether or not you live within the Cherry Creek School District.

The first step for ALL students (in-district and out-of-district) wishing to attend a Cherry Creek high school is to register with the district. To learn more about registration, please visit the [District Admissions Office website](#).

### In-District Students

8<sup>th</sup> grade students who currently attend a Cherry Creek middle school should start by finding their neighborhood high school using the [School Locator tool](#). If the student and family are content with their neighborhood high school, all they need to do is [register](#) for that school.

If the student would like to attend another high school within the district, they must first complete a [School of Choice](#) application between January 1<sup>st</sup> and January 31<sup>st</sup>. If the student does not receive their school of choice, then they may complete an [Intradistrict Transfer Request](#). Staff and space are limited, so acceptance to another district school is not guaranteed.

### Out-of-District Students

8<sup>th</sup> grade students who currently attend a non-Cherry Creek school (like DPS, Englewood, etc.) and would like to attend a Cherry Creek high school should call the District Admissions Office to learn about [registration](#) and the [New Non-Resident application](#) processes. Families should also contact their school of interest to learn more about the school and its capacity to accept out-of-district students.

The New Non-Resident application is available between April 1<sup>st</sup> and August 1<sup>st</sup> every year.

# Inscripción en Cherry Creek: Resumen y Calendario

## Resumen

Las Escuelas de Cherry Creek no tienen el mismo proceso de solicitud EscojoMiEscuela que las Escuelas Públicas de Denver. En cambio, Cherry Creek tiene tres tipos de procesos de inscripción, dependiendo de si vive o no dentro del Distrito Escolar de Cherry Creek.

El primer paso para TODOS los estudiantes (dentro y fuera del distrito) que desean asistir a una preparatoria de Cherry Creek es registrarse con el distrito. Para obtener más información sobre el registro, por favor visite el [sitio web de la Oficina de Admisiones del Distrito](#).

### Estudiantes del distrito

Los estudiantes de 8º grado que actualmente asisten a una escuela secundaria (middle school) de Cherry Creek deben comenzar por encontrar la preparatoria de su vecindario usando el [Localizador de Escuelas](#). Si el estudiante y la familia están contentos con la preparatoria de su vecindario, la única cosa que necesitan hacer es [registrarse](#) en esa escuela.

Si el estudiante desea asistir a otra preparatoria dentro del distrito, primero debe completar una [solicitud de Escuela de Elección](#) entre el 1 de enero y el 31 de enero. Si el estudiante no recibe la escuela de su elección, entonces puede completar una [Solicitud de Transferencia Intradistrital \(Dentro del Distrito\)](#). El personal y el espacio son limitados, por lo que no se garantiza la aceptación en otra escuela del distrito.

### Estudiantes de fuera del distrito

Los estudiantes de 8º grado que actualmente asisten a una escuela que no pertenece a Cherry Creek (como DPS, Englewood, etc.) y les gustaría asistir a una preparatoria de Cherry Creek deben llamar a la Oficina de Admisiones del Distrito para obtener más información sobre [el registro](#) y los procesos de [solicitud para nuevos no residentes](#). Las familias también deben contactar a su escuela deseada para obtener más información sobre la escuela y su capacidad para aceptar a estudiantes de fuera del distrito.

La solicitud para nuevos no residentes está disponible entre el 1 de abril y el 1 de agosto de cada año.
